### Directions:

The church is located on Harford Road (Route 147), inside I-695 (Baltimore's beltway). If the beltway were a clock, Harford Road would be near the two o'clock position (exit 31A).

From points south: Take I-95 north toward Baltimore. Fastest way: You can either take the Baltimore Harbor Tunnel (I-895) (\$2 toll) or the Fort McHenry Tunnel (I-95) (\$2 toll) to the southeastern side of I-695 (Baltimore's beltway), exit onto I-695 northbound toward Parkville/Towson, then exit 31A (southbound Harford Road). Follow detailed directions listed below. [Note: If you exit onto I-695 eastbound directly from I-95 before the Fort McHenry Tunnel you pay no toll, but the distance on I-695 around to exit 31A will add a considerable amount of time to your travel.]

From points north: Take I-83 south toward Baltimore. Exit eastbound onto I-695 toward Parkville to exit 31A (southbound Harford Road). Follow detailed directions listed below.

From points west: Take I-70 or I-795 toward Baltimore. Exit northbound onto I-695 toward Towson. Continue around northern side of beltway to exit 31A (southbound Harford Road). Follow detailed directions listed below.

To the church: Drive 1.4 miles southbound on Harford Road. The church is 3 blocks south of the intersection of Harford Road & Taylor Avenue and one block south of Parkville Shopping Center, on the same side of the road. **Parking** is available on the street or in funeral home and shopping center lots.
